

How to...

Add a new site:

Adding a new site to your profile is easy, let us show you how...

1. From the profile page click on 'add group/unit to"your profile name"'
2. Select 'site group' from the drop down menu.
3. Enter your sites name.
4. Click 'add'.

Please select the group type you would like to add

Select Group Type: Select a Group: **Site Group**

Add new site group

Site group name

You can now view your new site under the 'sites/collections/teams' section.

Sites/Collections/Teams assigned to this profile
